Let's talk after 2:30 pm Eastern. We may not need Eileen or Lynn for the call if they are not available.

Michael and Lynn -

I am available until about 12:45 PM EDT. I have a 1:00 PM appointment and should be available again around 2:30 PM EDT.

I think a discussion would be helpful.

Subject: Allied Landfill OU Site Visit - May 27, 2014: Additional Attendees

Good Morning, Michael -

Thanks for a good meeting yesterday. I think we're moving forward in a very positive way and are in a good position to address outstanding issues and concerns.

I have received over the last 24 hours or so, several people requesting to be involved with next Tuesday's (May 27) site visit with Congressman Upton.

There are 3 City staff that would like to attend:

City Manager James (Jim) Ritsema

Michael Wetzel

John Paquin.

To my knowledge, none of these 3 individuals have previously toured the site.

Rick Burns from NTH Consultants also requested to be in attendance. He has not toured the site before either and would like to be included.

Mayor Bobby Hopewell is also planning on attending the site tour (along with me as well.)

The last request was from the President of the Kalamazoo River Cleanup Coalition (KRCC), Dr. Denise Keele. She requested that one board member from the KRCC be able to attend. I realize that these last additions, the last one in particular, may be problematic. If you could please let me know if any, some or all of these may be able to go on the site visit, I would appreciate it.

If I had to assign a priority, I would suggest the following list:

Mayor Hopewell

Jim Ritsema, City Manager

Mike Wetzel

John Paquin

Rick Burns

Bruce Merchant

KRCC Board Member/Denise Keele

I've copied Lynn Turner from Congressman Upton's Office so she is aware of the City's request as well.

Thanks for any and all consideration.

Bruce
